The Next Mile initiative is about lasting change before, during, and after a Short-Term mission experience. This is a collaborative effort of over 30 national and international church organizations, agencies and mission leaders,representing hundreds of thousands of Short-Termers joined together in support of this project's development.

Available Resources

Leader Guide
This comprehensive tool enables leaders to plan and conduct Short-Term mission trips for long-term impact. Included with this book are:

- **Resource CD:** Sample forms (customizable), sample meetings, activities, sample inserts, posters, PowerPoint presentation sample for reporting home, evaluation and assessment tools and much more.
- **Road Map Poster:** A colorful "at-a-glance" poster with major bench marks along the journey.

Goer Guide - All-Age and Youth Edition
The Youth Edition is designed for ages 13 to 19, and the All-Age Edition is for use in multi-generation teams. Included in the Goer Guide is a Spiritual Journal with daily Bible readings and space to journal, record thoughts from Scripture, and write prayer requests.

- **Mentor Packet:** In a sealed envelope inside the Goer Guide is a Mentor Guide that serves as a simple, yet powerful and practical resource for Mentors.

Mile Post Devotional
52 Self-paced devotionals for use after the ministry experience. These devotionals are designed to keep the passion and joy of service alive long after the experience is over.

Road Map
Serves as a stand-alone graphical resource for leaders highlighting major benchmarks for Short-Term teams.

Leader Kit
Includes a Leader Guide (with Resource CD and Road Map), Goer Guide Youth Edition, Goer Guide All-Age Edition (both with Mentor Packet), and the Mile Posts Devotional.
